THE TIGER

# *TIGER*

*1973-1974*

*Elida Schools*

*Elida, New Mexico*

*This business of living was meant to be more than plodding along each day  
With head bowed down and eyes on the ground while Time ticks the hours away.*

*God made this world a delightful place with beauty everywhere—  
The grass, the flowers, the trees, the sky, the tang of clean, fresh air—*

*A world to be lived in, laughed in, loved, to be met with joy and zest.  
A world with a challenge for each of us to give it our very best*

*This business of living was never meant as a treadmill sort of thing;  
There are rivers to cross, and mountains to climb, and glorious songs to sing!*

# MEMORIES ARE

# MADE OF . . .

# DEDICATION

*The 1973-1974 edition of the Tiger is dedicated to Marion and Jerry Shaw, who have given the best of themselves to the school and community. We take this opportunity of expressing our gratitude to two of our most valuable teachers and good friends. We wish them the best in what the future holds.*

## ADMINISTRATION

*If I had known less I would not grieve seeing the year its course has nearly run. I would be glad our task is almost done, glad for the bit of rest we shall receive. It would not trouble me to see you leave; and, walking through the halls and classrooms where we meet so often now, their emptiness would not oppress me when you are not there. It would not matter much; I would not care;—if I had known you less.*

*But I have watched your minds and hearts grow strong, pitted against the problems of the hour; and I have felt a deep, upwelling power, as, like a mighty wave, you surge along into the future, where your lives belong, the radiant future, where your dreams will grow and flower and fruit upon some distant shore. To watch your progress there I may not go, but I rejoice in prospect even so, knowing the promise you have shown before, certain of its fulfillment more and more.*

## ***SUPERINTENDENT'S MESSAGE***

*It has been my pleasure to be allowed to come into your school, and into your community. I had been here before, and under different conditions. It has been good to see that so many of the good things I had heard about your school and community were true. You are very fortunate to live in a community which wishes so very much for you.*

*But then all good things must end and high school will be over for you one day. We will hope that then, and on through the years, you will remember and use the things our school and community has passed on to you. We hold these things important.*

*So...let's please conduct ourselves that through the years we will remember each other pleasantly. Hard feelings and failure will be your loss and our sorrow.*

## CLASS SONG: "You'll Never Walk Alone"

When you walk through a storm hold your head up high  
And don't be afraid of the dark.  
At the end of the storm is a golden sky  
And the sweet silver song of a lark.  
Walk on through the wind, Walk on through the rain,  
Tho' your dreams be tossed and blown.  
Walk on walk on with hope in your heart and  
You'll never walk alone.  
You'll never walk alone.

# MEMORIES ARE MADE OF JUNIORS

*It's a busy world we live in, We get caught in the race,  
And sometimes our sense of values Slips a little out of place.*

*It's a good thing to pull over To the roadside now and then  
And get our thinking straightened out Before we start again.*

*And, like us not, we'll find a thought Or two to make us glad,  
Some blessing that we've overlooked, -- Forgotten that we had.*

*A few good honest thoughts and Chances are that we'll arrive  
At the heartening conclusion That it's good to be alive.*

*There's a new exciting challenge In the race of life when viewed  
With a heart refreshed with gladness, And with prayerful gratitude.*

*No more fences of fear and hate dividing the human races.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. The document then outlines the specific procedures for recording transactions, including the use of standardized forms and the requirement for double-checking entries. It also addresses the issue of data security, stressing the need for robust measures to protect sensitive information from unauthorized access or loss. The second part of the document focuses on the role of the finance department in ensuring the accuracy of the financial statements. It details the various steps involved in the reconciliation process, from identifying discrepancies to investigating their causes. The document also highlights the importance of regular audits and the role of external auditors in providing an independent assessment of the organization's financial health. Finally, the document concludes with a series of recommendations for improving the overall financial management process, including the implementation of new technologies and the establishment of clear lines of responsibility.
